Why JCOS?

Certified by the Spartan Chemical Company, recognized by the CMI (Cleaning Management Institute), JCOS Inc. are experts in Pandemic Disinfection and can help you and your staff rest assured in these times of uncertainty that every precaution has been taken to help prevent further spread of the COVID-19 virus.

With our top to bottom detailed touch point disinfection, we monitor dwell times of all EPA approved chemicals applied to ensure that any viruses present will be eliminated.

Our service also includes the use of an ozone generator to help reduce multicellular organisms including bacteria and viruses that may be present in the air.

Cost:

Facilities less than 999 SF - \$0.50/SF

Facilities 1000 - 4999 SF - \$0.40/SF

Facilities 5000 - 9999 SF - \$0.35/SF

Facilities 10000 SF and up - \$0.30/SF
(Facilities larger than 25000 call for special pricing)

**although our EPA approved chemicals do claim to eliminate COVID19 like viruses, this service cannot guarantee re-exposure. **\$500 minimum fee for any facility less than 1000 SF.*
